

CMPA – Complex Motor Powered Aircraft

- Complex motor-powered aircraft ('CMPA') definition, formerly present in Basic Regulation (BR) (EC) 216/2008, does not exist anymore in BR (EU) 2018/1139.
- Article 140(2) of BR (EU) 2018/1139 requires the implementing rules adopted on the basis of Regulation (EC) No 216/2008 to be adapted to Regulation (EU) 2018/1139 no later than 12 September 2023.
- CMPA definition (unchanged) has been introduced in:
 - Air Operations Regulation (EU) 965/2012 (amended by Regulation (EU) 2023/1020)
 - Initial Airworthiness Regulation (EU) No 748/2012 (amended by Regulation (EU) 2023/1028)
 - Continuing Airworthiness Regulation (EU) 1321/2014 (amended by Regulation (EU) 2023/989)
- Same action is being prepared for the Aircrew Regulation (EU) 1178/2011.
- Options for changing the definition are being evaluated.
