

# 2025 Annual cost-shared flights charter evaluation

- In Cologne (hybrid) on 13 October (EASA, NAAs, platforms)
- **Key Outcomes :**
- No evidence of accidents or incidents directly attributable to operations conducted under platforms adhering to the EASA charter
- **Joint collaborative initiatives**
  - Development of a European survey to standardize data collection across platforms and NAAs
  - Establishment of working groups to refine the existing EASA charter and to address specific safety and regulatory issues.
