1. Understanding how the new EASA industry meeting structure works and how we should participate.
  - a. Restrict ourselves to certain CSTG's and AG's
  - b. Understand that we can't necessarily use other associations to represent us if they are not from our sector.
  - c. Push for more online options so we can cover the sessions.
  - d. Not heard anything on drones.
2. Feedback from EASA current meetings.
3. Managing the data and meetings from EASA meetings on our website.
  - a. When will be ready to take this on completely?
  - b. Do we need any further changes to the website which require development support.
4. Succession planning.
  - a. Do we need to consider any changes from our respective organisations and the need for a succession plan.
  - b. What would we like to do with our secretariat in 2025.
5. Any issues in our respective associations that we might need to consider in other countries.
6. AOB
7. Next meeting 11<sup>th</sup> September 1400 GMT
